

EYE OMEGA ADVANTAGE®

Protect Your Eyes and Support Your Vision

Lutein • Zeaxanthin • Omega-3 Essential Fatty Acids • Vitamin D₃

Lutein and Zeaxanthin are carotenoids concentrated in the macular region of the retina and absorb harmful forms of light thought to contribute to the development of Age-related Macular Degeneration (AMD) and other ocular disorders.¹ Recent medical studies suggest that the consumption of foods rich in the Omega-3 fatty acids EPA and DHA are associated with a reduced risk of AMD.² Low serum levels of Vitamin D have also been associated with the development of AMD.³ *Eye Omega Advantage*® is custom formulated with these critical nutrients, based on the AREDS II protocol, to provide support in preserving the macular pigment essential to healthy vision and, most importantly, potentially avoid the progression of AMD.

Eye Omega Advantage®

- Triglyceride form for maximum absorption⁴
- Highly purified and concentrated
- Molecularly distilled in a pharmaceutically licensed facility
- Independent 3rd-party laboratory tested
- Free of Mercury, PCBs, Dioxins and other contaminants

MACULAR VITAMIN BENEFIT

Protect Your Eyes and Support Your Vision

Vitamin C • Vitamin E • Zinc • B-complex

This multi-vitamin is scientifically formulated based on the Age-Related Eye Disease Study (AREDS) formula to provide therapeutic levels of nutritional support for macular health to help preserve the eyesight of clinical populations at risk.¹ Beta carotene was excluded from this formula because of scientific evidence linking it to an increased risk in certain individuals.² Vitamin E is included in the form of natural mixed tocopherols and tocotrienols, the most readily absorbed and efficacious form. Also included in this formula are B-complex vitamins (B6, B9, B12) shown in recent studies to reduce the risk of developing early stages of AMD.³

Macular Vitamin Benefit

- Vitamins C, E, Zinc and Copper based on the AREDS formula
- Vitamin E provided in its most natural and efficacious form
- B Vitamins provided as B-complex for improved bioavailability
- Formulated to complement Eye Omega Advantage®
- Independent 3rd-party laboratory tested

Supplement Facts

Serving Size: 2 Tablets
Servings Per Container: 30

Amount Per Serving		% Daily Value
Vitamin C (as ascorbic acid)	500 mg	833%
Vitamin E (as natural d-alpha tocopheryl succinate with mixed d-alpha, d-beta, d-gamma, d-delta-tocopherols and tocotrienols)	400 IU	1333%
Thiamin (as thiamin mononitrate)	50 mg	3333%
Riboflavin	50 mg	2941%
Niacin (as niacinamide)	50 mg	250%
Vitamin B6 (as pyridoxine HCl)	50 mg	2500%
Folate (as folic acid)	1000 mcg	250%
Vitamin B12 (as cyanocobalamin)	1000 mcg	16,667%
Biotin	50 mcg	17%
Pantothenic acid (as D-calcium pantothenate)	50 mg	500%
Zinc (as zinc oxide)	80 mg	533%
Copper (as copper oxide)	2 mg	100%

OTHER INGREDIENTS: Dicalcium phosphate, microcrystalline cellulose, stearic acid, croscarmellose sodium, silica, magnesium stearate, and film coating (hypromellose, hydroxypropyl cellulose, polyethylene glycol). GLUTEN & DAIRY FREE.

Suggested Serving:
1 tablet twice daily
